

Hispanic Youth & Young Adult Ministry

By faithfully adhering to the following documents from USCCB - Renewing the Vision (*Renovemos la Visión*), Sons and Daughters of the Light (*Hijos e Hijas de la Luz*), Hispanic Youth & Young Adult Ministry strives to:

- Action in the Church: through participation and contribution of the Parish priest, deacons, parish life coordinators, parish staff, Youth & Young Adult Ministers, Community, and all young people.
- Develop Leadership: by supporting ministers, supplying resources, skills workshops, and opportunities for faith experiences.
- Discover Christ: through action, reflection, prayer, and sharing with others.
- Proclaim the word: integrating their faith and Life, being faithful witnesses to Jesus' message, and building a society of love, truth, and justice.

Youth and Young Adults are the future of the church and it is our job to see that different faith experiences are available for them. It is important to teach that being Catholic is not only about going to church and receiving sacraments, but also about being active in their faith. Hispanic Youth & Young Adult Ministry is the action of the church where young people are helped to discover, and commit themselves to Christ and his message. It transforms young people because it invites them to integrate their faith and their life together.

They are currently working on several programs for Hispanic young people in the Archdiocese of Santa Fe.
