

# Do you feel you belong?

Are you experiencing the following spiritual symptoms:

- Are you out of touch with the Catholic Church?
- Are you unchallenged spiritually?
- Can you make a difference in your parish?

If so then, we need you.

Many young adults in our Catholic community feel they have not been challenged or embraced by the Church.

Our team has been asked to become aware of the needs of adults ages 18 to 35. Please help the church know you better!
