

## ***Attention All Pastors, CL's, & Youth Ministers***

Wondering how will you prepare your Religious Education & Confirmation Teachers and Youth Ministry Team for the upcoming Season?

### **Wonder no more we have the answer for YOU!**

Because of the generosity of the Archdiocese of Santa Fe Catholic Foundation we are able to bring to your area training for your adults and youth leadership teams. You will receive skill credit toward your certification for the Archdiocese.

### **Your next question is what do I need to do!**

Call our office and give us at least two possible date(s), time(s), place(s), and what courses/training you're looking for and we will follow up with a confirmation.

The only responsibility the parish will have is to offer hospitality to those who wish to attend. Our office will provide all materials and presentors.

**Note: Limited amount of dates available. First come bases.**

**To confirm date or in need of more information please call the Archdiocese of Santa Fe Office of Youth & Young Adult Ministries at (505) 831-8142.**

Don't forget to check out the Website for info on our skill courses and other updates and information.
